

**REMARKS**

Claim 5 is being amended to insert "an injectable carrier" which is supported throughout the specification, for example, at paragraph 0024.

In response to the Office Action restriction requirement, Applicant is electing Group I, method claims 1-17.

In response to the Office Action election of species requirement, Applicant is electing Species (a)(i) wherein G1 is administered, (b) in a form of "an injectable carrier", (c) by a route of administration of "injection", (d) cell type "stem cells", and (e) wherein radiation is administered to a target area. Claims 1-6, 9-11, and 14-17 are generic and readable thereon.

Respectfully submitted,
